

3D2N - Picnicking at the hot spring + Net Fishing Trip & Bamboo Rafting + Spear Fishing

Day one

Picnicking at the hot spring + Net Fishing Trip

Arrive at Annah Rais Longhouse - Upon arrival, you will be greeted by your host in the longhouse, with the local-brewed rice-wine (known as “Tuak”) as a welcome drink. Short briefing session about Annah Rais longhouse & its history will be conducted when you are sipping of our local rice wine.

Check In – Check-in to your guestroom in the longhouse, change to your light clothing & get ready for the jungle activities. Please be prepared to get wet in the jungle, as you will be passing through some clear & cool water streams.

Jungle Trekking - Start off with trekking on another trail in the tropical rainforest to see different flora & fauna. Although this jungle trekking is a short one, there are many you can see along the trail. With our local guide’s explanation about the things you see along the trail, you will start to understand about our surrounding jungle & how we use the natural jungle resources to compliment our daily needs.

Stream with Crystal-clear Cold Running Water - Before you reach the stream, you will find a canteen by the road side just opposite the junction. Walking less than 2 minutes from the junction, you will reach to a small stream with crystal clear running water, where located right in the middle of the jungle. The water flow slowly from the mountain right into this stream, you will just love to soak yourself in the stream to cool off yourself after the trek through the rainforest.

Soaking in the Hot Spring - Right beside the cold water stream, you will find the natural hot spring with bubbles coming up from the floor. Feel the calm of the jungle while soaking in the hot spring, you will soon to find out how wonderful it is for such a natural “Jungle Spa”.

BBQ Picnic Luncheon - Soon after, the fire has been set up to start to BBQ luncheon picnic with the foods that are brought along. Join in the fun to prepare your mid-day meal.

Afternoon Break - After the lunch, sit back & relax by the stream or under the hut built by the riverbank to enjoy the beautiful scenery of the mountain and the beauty of the natures, while chit-chatting over a sip of our local rice wine. If you just can’t help yourself to soak again at the hot spring, just go ahead & soak it for the last time ever, before we set back for another activity.

Net Fishing – Soon after your lunch, you will be given with fishing net. Your guide will teach you on how to do it. For your information, your guide will be handling another type of net also purposely used for this kind of net fishing. Try to catch as many as possible & when the fire is has been set up, we will start to BBQ luncheon picnic with your catches (if you catch any), as well as the foods that we have brought along. You also can prefer to bring back your catch and seek assistant from your host to cook it for you.

Back to the Longhouse – At the end of your activity, your guide will then lead your way back to the longhouse. We know you are tired & exhausted by now, but at least trek for the one last time. Before you know it, you will find yourself already in the longhouse. Take a fresh water shower, clean up yourself & get ready for the dinner. Any spare time in between can be filled with interesting in-house activities. Exploring the longhouse & the village are most recommended as you may have something you missed or attracted a lot during your guided longhouse tour, visit to other families in the longhouse to learn more about the local lifestyle here. To be frank, you will never have enough time to get yourself bored during your stay with us.

**You will have an option to opt for the transport to bring you back to the longhouse if you just too tired to walk, please inform your guide so that he can seek assistant from the homestay operator.*

Dinner Time - Dinner will be served soon later, & you will get to try another different kind of sumptuous dishes. We never repeat the same foods, so that you get chance to try different longhouse’s delicacies. Eat

as much as possible, we will have more than enough for you & we promise to feed you well during your stay with us.

Traditional Musical Instruments Jamming Session & Cultural Dance - Soon after dinner, the local musician will start showing you with all their traditional musical instruments & teaching you the basic technique of playing them. This is the very practical session, whereby you will involve in making a traditional music while others are dancing. You will also be thought on performing the traditional cultural dance with the full traditional costume on if you wish. Some of the villagers, especially the kids here will sometimes come & join in for the fun & crazy moment. Remember to ask for some local rice wine “Tuak” & have fun all night long till you drop!

Day Two

Bamboo Rafting + Spear Fishing

Breakfast - Breakfast to be served from 8am in the morning. Breakfast will be prepared & to go with the local style coffee or tea. Some fruits such as banana to go with! You will be fed well even for the breakfast, but you know yourself better how much you can take. So don't take too much if you will be having trouble with activities later on with your fully loaded stomach.

Jungle Trekking - Start off with trekking on another trail in the tropical rainforest before reaching the small stream for the bamboo rafting. Along the trail, the local guide will make every effort to explain the strange things you see in the jungle, you will start to understand about the surrounding jungle & how they use the natural jungle resources to compliment their daily needs.

Reaching the small stream for Bamboo Rafting – Soon after, you will reach a small stream with sometimes crystal clear running water, where located right in the middle of the tropical rainforest. You would like to soak yourself in the water to cool off the body first if the water level is not that fast & deep on that day.

Building bamboo raft – Dried bamboo are always ready. Your guide will start building the raft after a short rest after the walk & you are most welcome to learn & help in building the bamboo raft for the day.

Bamboo Fish Picnic Luncheon – At the same time the other guide is starting to prepare the picnic lunch. This time, you will get a chance to try another local signature dish, bamboo fish, which cooked right on the spot with the newly found fresh bamboo. Enjoy your bamboo fish lunch, along with some other dishes & bamboo rice.

Bamboo Rafting - Soon after lunch, the newly-made Bamboo raft is ready. Take your time to rest after your lunch, no hurry, & let the guide know when you are ready for the fun & exciting Bamboo Rafting trip. You will raft along the running water stream through the tropical rainforest. The experienced guide will lead you the way, you just have to enjoy the experience, & appreciate the beauty of the tropical rainforest. There's no special skill required by you, except sitting on the raft. If you are adventurous enough, you may try to stand on the raft to feel the adrenaline rush, instead of sitting, but do it at your own risk though! You are warned that underneath the water are rocks & if the water is not deep enough, you may hit the rock if fallen off from the raft!

Afternoon Break - After the raft, sit back & relax by the stream, get some rest while enjoying the beauty of the natures, before setting back for the longhouse.

Spear-fishing – After taking the break, you will be given a goggle & spear for spear-fishing with our traditional technique, which our guide will show you how to do it. Try to catch as many as possible & when the fire is has been set up, we will start to BBQ luncheon picnic with your catches (if you catch any), as well as the foods that we have brought along. You also can prefer to bring back your catch and seek assistant from your host to cook it for you.

Back to the Longhouse - Coming to the end of the rafting trip, you will get up from another point of the jungle trail. Your guide will then lead your way back to the longhouse through another short trekking. Take a fresh water shower, clean up yourself & get ready for the dinner. You can take this spare time before your dinner to ask any of the village folks (usually the old woman or man) to weave a bracelet made from rattan to your risk as a souvenir. Please seek assistant from your host for this purpose.
